

I listen to K-LOVE every day, at least 5-6 hrs per day. If K-LOVE is displaced by an LPFM broadcaster providing other programming, the effect on the local community will be tramendeous. We are a very close community and depend on positive encouraging K-LOVE. This family safe station provides so much encouragement through it's music, prayer & help support lines and other advice form professional pastors, councelors and others. Don't take our K-LOVE!!!
